OLD BUSINESS

- 1) Approval of Minutes from November 13, 2014.**

NEW BUSINESS

1) South Oak Park Boulevard and Manhattan Avenue

Citizen reports there is an obstruction of visibility for people turning off of Manhattan Avenue onto South Oak Park Boulevard because of vehicles parked on the west side of Oak Park Boulevard obstruct the view of vehicles turning south on Oak Park Boulevard.

2) 7th Street and Mentone Avenue

Citizen requests a stop sign for northbound and southbound traffic for South 7th Street at Mentone Avenue due to speeding vehicles on 7th Street.

3) Huston Street & Farroll Road

Citizen complained that visibility is obstructed when turning off of Huston and onto Farroll Road due to the trucks parking along the south curb of Farroll Road.

4) Grand Avenue at Third Street

Citizen is requesting signage be posted for the west crosswalk on Grand Avenue at Third Street. Visibility is poor in the intersection at night so the signage should illuminate at night.

5) Farroll Road at 16th Street

Citizen has made a request for stop signs in both east and west directions. This would turn this intersection into a 4-way stop. The claim is the visibility prevents people turning off of 16th Street from seeing eastbound and westbound traffic.
