OLD BUSINESS

- 1) **Approval of Minutes** - Chief Copsey asked if all present had read the minutes. Paul Brunner made a motion that the minutes be approved. Mike Hubert seconded the motion. All present were in favor.

NEW BUSINESS

1) Fire Lane Designation at Beach Place

The Fire Department is requesting that the Traffic Committee consider designating the driveway adjacent to the Amtrak Bus Stop which leads into the rear parking lot at 200 West Grand Avenue as a "Fire Lane".

This matter was discussed at length. It was brought to the attention of the Traffic Committee that this is a City owned driveway and that when this driveway was designed the curb in question may have been designated a place for parking spots. It was unanimously decided that the original plans will be reviewed and this matter was therefore tabled and will be brought back to the table at the next Traffic Committee Meeting.

PUBLIC COMMENT

None.
