OLD BUSINESS

1) **Approval of Minutes** - Chief Copsey asked if all present had read the minutes. Paul Brunner made a motion that the minutes be approved. Mike Hubert seconded the motion. All present were in favor.

2) **Fire Lane Designation at Beach Place**

The Fire Department is requesting that the Traffic Committee consider designating the driveway adjacent to the Amtrak Bus Stop which leads into the rear parking lot at 200 West Grand Avenue as a "Fire Lane".

Information was provided from Community Development that when the original plans for Beach Place were drawn up there was never any intent for this area to be parking spaces. The Fire Department believes this area should be painted red for safety issues. After discussion Chief Copsey asked for a motion. Paul Brunner made a motion that the curb in this area should be painted red as indicated because of fire safety concerns. Fire Chief Mike Hubert seconded the motion. All present were in favor.
