GRAND AVENUE CLOSURE AT HIGHWAY 1 EXTENDED

GROVER BEACH – The **complete closure** of West Grand Avenue at Highway 1 will be extended by one day, until:

6:00 p.m. on Thursday, February 16, 2017.

Union Pacific Railroad has been performing maintenance work on the railway crossing located at West Grand Avenue and Highway 1 for the past three days. The work, scheduled by Union Pacific Railroad, is taking longer than originally anticipated and pushed the repaving work to Thursday morning.

Traffic control measures will remain in place to alert drivers of the detour route to access Highway 1 during this closure. Businesses along West Grand Avenue will remain open during the maintenance project. City staff is dedicated to mitigating the impact of this closure as best we can for this Union Pacific maintenance work.

For additional information regarding this temporary road closure, please contact Union Pacific Railroad's Road Safety Systems at (775) 356-0103. If you have any additional questions or comments regarding this maintenance project, please contact the Public Works Department at (805) 473-4520 or by email at publicworks@grover.org.
