OLD BUSINESS

- 1) Approval of Minutes from April 13, 2018.

NEW BUSINESS

- 1) Red Curb Proposal 16th Street and Grand Avenue

Regional Transit Authority would ask that we add 70 feet of red curb leading up to the car lot's driveway and allow public parking behind this section back to 16th Street. This would allow the 35 foot bus to get parallel to the curb and then have enough space to pull out of traffic AND the car lot gets a 34 foot parking space. Essentially, we are trading places with the parking space.
