GROVER BEACH, CA — The City welcomes individuals, businesses, and local service groups to participate in a brainstorming session to identify volunteer-led projects as part of the Spring Clean-Up Week sponsored annually by South County Sanitary Services.

The planning session for this year’s “Clean Sweep” event will be held:

When: **MONDAY, MARCH 10, 2014 at 6:00 P.M.**  
Where: **Grover Beach City Hall, Council Chambers**  
**154 South 8<sup>th</sup> Street, Grover Beach, CA**

“Clean Sweep” community service days have successfully been implemented in other California cities, such as Pleasant Hill and Walnut Creek, in an effort to substantially clean up the communities and increase civic pride.

As a free public service, South County Sanitary Services will haul off extra trash during Clean-up Week on the regularly scheduled residential garbage collection days. Please call South County Sanitary Service for more information regarding trash collection pickup rules and regulations at (805) 489-4246.
