CHAPTER 1.01 - NOISE STANDARDS

Sec. 3120. Excessive Noise: General. (A) This chapter establishes standards for acceptable exterior and interior noise levels, and vibrations. It also establishes how noise is measured. These standards are intended to protect persons from excessive noise levels.

(B) It is unlawful for any person willfully to make or continue to make, or cause to be made or continued, any loud, unnecessary, or unusual noise which disturbs the peace or quiet of any neighborhood or which causes discomfort or annoyance to any reasonable person of normal sensitivity residing in the area. The standards which shall be considered in determining whether a violation of the provisions of this section exists shall include, but not be limited to, the following:

- (1) The level of the noise;
- (2) The intensity of the noise;
- (3) Whether the nature of the noise is usual or unusual;
- (4) Whether the origin of the noise is natural or unnatural;
- (5) The proximity of the noise to residential areas;
- (6) The density of the residential occupancy of the area within which the noise emanates;
- (7) The time of the day or night the noise occurs;
- (8) The duration of the noise;
- (9) Whether the noise is recurrent, intermittent, constant; or
- (10) Whether the noise is produced by commercial or noncommercial activity. (Ord. 04-07)

Sec. 3120.1 Noise: Construction of Buildings and Projects. It is unlawful within a residential zone, or within a radius of five hundred (500) feet therefrom, for any person to operate equipment or perform any outside construction or repair work on buildings, structures, or other projects or to operate any pile driver, power shovel, pneumatic hammer, derrick, power hoist, or any other construction type device, other than between the hours of 7:00 a.m. and 7:00 p.m., Mondays through Fridays inclusive, or between the hours of 8:00 a.m. through 5:00 p.m., Saturdays and Sundays, unless a permit shall first be obtained from the Community Development Director or his or her designee. The permit shall be issued by the Community Development Director or his or her designee only if it is determined that the operation during hours not otherwise permitted hereunder is necessary and will not result in unreasonable disturbance to surrounding residents. The provisions of this section shall not apply to repairs or improvements performed by a person to property owned or leased by him as long as the provisions of Section 3120 of this chapter are complied with. (Ord. 73-1, Am. Ord. 04-07)

Sec. 3120.2 Noise: Schools, Hospitals, Churches, and Resthomes. It is unlawful for any person to create any noise on any street, sidewalk, or public place adjacent to any school, hospital, church, or resthome (as defined in Article IX of this Code) while the same is in use, which noise unreasonably interferes with the workings of the institution or disturbs or unduly annoys the occupants thereof, provided that conspicuous signs are displayed indicating the presence of a school, hospital, church, or a resthome. (Ord. 04-07)

Sec. 3120.3 Noise: Emanating From Vehicles. It is unlawful for any person to play, continue to play, or allow to be played, any of the following: (a) radio, (b) tape player, (c) disc or compact disc “cd” player, (d) record player, or (e) electronic sound amplifying device or machine of any kind or nature, from within or on any automobile, truck or other motorized vehicle so that the sound or music emanating therefrom can be heard at a distance of more than one hundred (100) feet, unless the vehicle is a sound truck and the registration statement required by Section 3120.6 has been properly filed. (Ord. 89-8, Am. Ord. 04-07)

Sec. 3120.4 Second Police Response to Parties, Gatherings or Events. (A) Purpose. The City Council finds and determines that parties, gatherings and/or events on private or public property can constitute a threat to the peace, health, safety or general welfare of the public. Officers have been required to make many return calls to parties, gatherings or events in order to abate the violations or, if necessary, disperse uncooperative and unruly participants. The return calls drain staffing and resources of the police department and can leave other areas of the City without minimal levels of police protection so as to create a significant hazard to the safety of citizens and police officers.

(B) Definitions. As used in this chapter, the following terms shall have the following meanings:

(1) “Party” means a party, gathering or other assembly of persons for a social occasion or activity.

(2) “Event” means a noise disturbance that constitutes a threat to the public peace, health, safety or general welfare of the public.

(3) “Person responsible for the party or event” means any of the following:

(a) The person or persons who own the property where the party or event takes place if the person or persons have been mailed or distributed a previous written notice from the police department within the previous twelve (12) months of the party or event taking place;

(b) The person or persons in charge of the premises where the party or event takes place;

(c) The person or persons authorizing the use of the premises for the party or event;

(d) The person or persons who organize the party or event. Each of the above shall be jointly and severally liable for the police services fee except where the person responsible for the event is a minor, in which case the parents or guardians of that minor shall be jointly and severally liable for the police services fee.

(4) “Police services fee” means all costs of personnel and equipment for the amount of time actually spent in responding to or in remaining at a party or event including, but not limited to, the salaries of the police personnel, the actual cost of any medical treatment to injured officers, the cost of repairing any damaged police or city equipment or property, administrative processing fees, costs associated with recovering the police services fees, costs incurred by a collection agency, and the overhead and administrative costs related to all of the foregoing.

(5) “Second police response” means either: (a) a police response to the location of a party or event made within forty-eight (48) hours after the distribution of a written warning to the person(s) responsible for the party or event (as such term is defined in Sections 3(b) through (d) herein) notifying the person(s) that the party or event is in violation of the law; or (b) a police response to the location of a party or event made within twelve (12) months after the mailing or

delivery of a written warning to the person(s) responsible for the party or event (as such term is defined in Section 3(a) herein) notifying the person(s) that the property has been the site of a party or event that was in violation of the law.

(C) Police response at parties, gatherings or events requiring more than one response.

(1) A police services fee may be imposed when: (a) a police officer at the scene of a party has given written notice to the person responsible for the party or event that such party or event violates the law; and (b) a second police response is required to control the threat to public peace, health, safety and welfare and to disperse the party or event.

(2) The provisions of this chapter are in addition to the authority of the police to regulate parties and events and shall supplement, and not supplant, the exercise of any other available law including, but not limited to, arrest or citation pursuant to the California Penal Code or any other applicable law, code or ordinance.

(D) Police services fees.

(1) The person responsible for the party or event for which a second and/or subsequent police response is dispatched shall be liable for a police services fee to defray the reasonable costs of providing the subsequent police response.

(2) The amount of such fee shall be a debt to the City of the person(s) responsible for the event receiving the police services and, if minors, their parents or guardians. Any person owing money shall be liable in an action brought by the City in its own name to recover such amount, including reasonable attorney's fees.

(E) Billing.

(1) The Chief of Police or his/her designee shall thereafter cause appropriate billings to be made.

(2) After an attempt to collect the debt by the City to no avail, the debt may be turned over to a collection agency. Collection fees charged by the collection agency will be added to the debt.

(F) Appeal.

(1) Any person receiving a bill for police services provided pursuant to this chapter, may, within fifteen (15) days after the bill was sent, file a written request with the police department appealing the police services imposed. Any appeal regarding the billing shall be heard by a supervisor of the police department as designated by the Chief of Police.

(2) After a request for appeal is filed, the City shall withhold collection of the bill until conclusion of the appeal.

(3) If, after a hearing before a supervisor, the appeal is denied in part or in full, all amounts due to the City shall be paid within thirty (30) days. (Ord. 04-07)

Sec. 3120.5 Sound Amplifying Equipment. The words "sound amplifying equipment" as used herein shall mean any machine or device for the amplification of the human voice, music, or any other sound. "Sound amplifying equipment" as used herein shall not be construed as including standard automobile radios when used and heard only by occupants of the vehicle in which installed, or warning devices on authorized emergency vehicles, or horns, or other warning devices on other vehicles used only for traffic safety purposes. (Ord. 73-1, Am. Ord. 04-07)

Sec. 3120.6 Registration Statement Required - Noncommercial Sound Amplifying Operation. No person shall use or cause to be used a sound truck with its sound amplifying equipment in operation for any noncommercial purpose in the City without filing a registration statement with the City Clerk in writing. (Ord. 04-07)

Sec. 3120.7 General Noise Regulations. (A) It shall be unlawful for any person to willfully or negligently make any noise which disturbs the peace and quiet of any neighborhood or which causes any discomfort or annoyance to any reasonable person of normal sensitivity in the area.

(B) For the purpose of evaluating conformance with the standards of this chapter, noise levels shall be measured as follows:

(1) Use of Meter. Any noise measurement made pursuant to the provisions of this chapter shall be made with a sound level meter using the A-weighted network (scale) at slow meter response. Fast meter response shall be used for impulsive type sounds. Calibration of the measurement equipment utilizing an acoustical calibrator shall be performed, immediately prior to recording any noise data.

(2) Measuring Exterior Noise Levels. Except as otherwise provided in this chapter, exterior noise levels shall be measured at the property line of the affected noise-sensitive land use listed in Section 3120.7. Where practical, the microphone shall be positioned three (3) to five (5) feet above the ground and away from reflective surfaces.

(3) Measuring Interior Noise Levels. Interior noise levels shall be measured within the affected residential use listed in Section 3120.9 at points at least four (4) feet from the wall, ceiling or floor nearest the noise source, with windows in the normal seasonal configuration. The reported interior noise level shall be determined by taking the arithmetic average of the readings taken at the various microphone locations.

(4) Commercial Areas Bordering Residential Area. The measurement from the residential area towards the commercial shall be held to the residential standard. (Ord. 04-07)

Sec. 3120.8 Exterior Noise Limits. (A) Maximum Permissible Sound Levels at Receiving Land Use.

(1) No person shall permit any source of sound at any location within the City or allow the creation of any noise on property owned, leased, occupied or otherwise controlled by the person, which causes the noise level to exceed the noise standard for that land use as specified in Table 1 of this section.

(2) If the measurement location is on a boundary between two different zones, the noise level limit applicable to the lower noise zone plus five (5) dBA shall apply.

(3) If possible, the ambient noise should be measured at the same location along the property line utilized in this section, with the alleged offending noise source inoperative. If for any reason the alleged offending noise source cannot be shut down, the ambient noise may be estimated by performing a measurement in the same general area of the source but at a sufficient distance such that the noise from the source is at least ten (10) dBA below the ambient in order that only the ambient level be measured. If the difference between the ambient plus the noise source and noise source is five (5) to ten (10) dBA, then the level of the source itself can be reasonably determined by subtracting a one decibel correction to account for the contribution of the source.

(B) Correction for Character of Sound. In the event the alleged offensive noise, as determined by the, noise control officer, contains a steady, audible tone such as whine, screech or hum, or is a repetitive noise such as hammering or riveting, or contains music or speech, the standard limits set forth in Table 1 of this section shall be reduced by five (5) dBA.

<i>Table 1: Exterior Noise Limits</i>		
<i>Zoning Category</i>	<i>Time Period</i>	<i>Allowable Exterior Noise Level (dBA)</i>
Residential	10:00 p.m. - 7:00 a.m.	55
	7:00 a.m. - 10:00 p.m.	60
Commercial	10:00 p.m. - 7:00 a.m.	60
	7:00 a.m. - 10:00 p.m.	65

(C) Correction for Character of Sound. In the event the alleged offensive noise, as determined by the noise control officer, contains a steady, audible tone such as a whine, screech or hum, or is a repetitive noise such as hammering or riveting, or contains music or speech conveying informational content, the standard limits set forth in Table 1 of this section shall be reduced by five (5) dBA. (Ord. 04-07)

Sec. 3120.9 Interior Noise Standards. (A) Maximum Permissible Dwelling Interior Sound Levels.

(1) The interior noise standards for residential dwellings as presented in Table 1 of this section shall apply.

<i>Table 1: Interior Noise Limits</i>		
<i>Zoning Category</i>	<i>Time Period</i>	<i>Allowable Exterior Noise Level (dBA)</i>
Residential	7:00 a.m. - 10:00 p.m.	45
	10:00 p.m. - 7:00 a.m.	40

(Ord. 04-07)

Sec. 3120.10 Prohibited Acts. (A) Noise Disturbances Prohibited. No person shall make, cause to be made, permit, or allow to be made any noise disturbance in such a manner as to be plainly audible at a distance of fifty (50) feet from the noisemaker.

(1) Radios, Television Sets, Musical Instruments, Loud Speakers and Similar Devices. Operating, playing or permitting the operation or playing of any radio, television set, phonograph, drum, musical instrument or similar device, which produces or reproduces sound in

excess of the sound levels described in this chapter. In such manner as to exceed the levels set forth in Table 1 of Section 3120.8, measured at a distance of at least fifty (50) feet or fifteen (15) meters from such device operating on a public right-of-way or public space.

(2) Street Sales. Offering for sale, selling anything or advertising by shouting or outcry within the City limits. The provisions of this section shall not be construed to prohibit the selling by outcry of merchandise, food and beverages at licensed sporting events, parades, fairs, circuses or other similar licensed or permitted public entertainment events.

(3) Loading and Unloading. Loading, unloading, opening, closing or other handling of boxes, crates, containers, building materials or similar objects between the hours of 10:00 p.m. and 7:00 a.m. daily in such a manner as to cause a noise disturbance in the City limits which violates the provisions of Section 3120.8 of this chapter.

(4) Construction/Demolition.

(a) Operating or causing the operation of any tools or equipment used in construction, drilling, repair, alteration or demolition work between the hours of 10:00 p.m. and 7:00 a.m. daily therefrom creates a noise disturbance in the City limits except for emergency work of public service utilities or by exception issued by the noise control officer.

(b) Noise Restrictions at Affected Properties. Where technically and economically feasible, construction activities shall be conducted in such a manner that the maximum noise levels at affected properties will not exceed those listed in the following schedule.

(c) Mobile Equipment. Maximum noise levels for non-scheduled, intermittent, short-term operation (less than ten days at a time) of mobile equipment:

(b) Any motor, machinery, pump, such as swimming pool equipment, etc., shall be sufficiently enclosed or muffled and maintained so as to not create a noise disturbance in accordance with Section 3120.8.

(6) Stationary Equipment. Maximum noise levels for repetitively scheduled and relatively long-term operation (periods of ten (10) days or more) of stationary equipment.

<i>Daily</i>	<i>Single-Family Residential</i>	<i>Multi-Family Residential</i>	<i>Mixed Res./Comm.</i>
7:00 a.m. - 10:00 p.m.	60 dBA	65 dBA	70 dBA
10:00 p.m. - 7:00 a.m.	Exception Permit	Exception Permit	Exception Permit

All mobile or stationary internal combustion engine powered equipment or machinery shall be equipped with suitable exhaust and air-take silencers in proper working order.

(7) Vibration. Operating or permitting the operation of any device that creates a vibration which is above the vibration perception threshold of an individual at or beyond the property boundary of the source if on private property or at one hundred fifty (150) feet or forty-six (46) meters from the source if on a public space or public right-of-way.

In emergency situations or on weekends, the Chief of Police or his or her designee may issue an emergency exception to be confirmed by the Building Division during normal working hours.

(2) Any person seeking an exception pursuant to this section for construction-related noise shall file an application with the Community Development Director or his or her designee. The application shall contain information which demonstrates that bringing the source of sound or activity for which the exception is sought into compliance with this chapter would constitute an unreasonable hardship on the applicant, the community, or on other persons. The application shall be accompanied by a fee as set forth in the Master Fee Schedule and amended from time to time. A separate application shall be filed for each noise source; provided, however, that several mobile sources under common ownership, or several fixed sources on a single property may be combined into one application. Any individual that claims to be adversely affected by allowance of the exception may file a statement with the Community Development Director or his/her designee containing any information to support said claim. (If at any time the Community Development Director or his/her designee finds that a sufficient controversy exists regarding an application, a public hearing will be scheduled before the City Council.)

(3) In determining whether to grant or deny the application, the Community Development Director or his or her designee shall consider denial of the application as a hardship on the applicant against: (a) the potential adverse impact on the health, safety, and welfare of other persons affected; (b) the adverse impact on property affected; and (c) any other adverse impacts of granting the exception. Applicants for exceptions and persons contesting exceptions shall be required to submit the information as the Community Development Director or his or her designee may reasonably require. In granting or denying an application, the Community Development Director or his or her designee shall keep on file a public copy of the decision and the reasons for denying or granting the exception.

(4) Exceptions shall be granted by notice to the applicant containing all necessary conditions, including a time frame on the permitted activity. The exception shall not become effective until all conditions are agreed to by the applicant. Noncompliance with any condition of the exception shall terminate the exception.

(B) Appeals.

(1) Appeals of a decision under this section of the Community Development Director or his or her designee shall be made to the City Council

(2) Appeals. Appeals of a decision under this section of the Police Department's noise control officer(s) shall be made to the Police Lieutenant, then to the Chief of Police. Decisions of the Chief of Police may be appealed to the City Council. (Ord. 04-07)

Dogs used on farms and ranches for the primary purpose of herding livestock are not required to be leashed or at "heel" beside their owner or person controlling the use of these dogs while on a public street, alley, lane, or place of whatever nature open to and used by the public in the incorporated area of the county while herding such livestock and as long as these dogs are obedient to the commands of the person controlling their use for this purpose. No fees whatsoever shall be charged or collected for or on account of any dog which has been unlawfully taken up or impounded. If the owner or person entitled to the custody of the dog believes that the dog has been unlawfully taken up or impounded, that owner or person may, within the seventy-two hour redemption period, request that an impartial hearing by a hearing officer form an outside Department be conducted to determine the sole issue of whether the dog was lawfully seized and impounded. upon demand, release the animal to the owner or person lawfully entitled thereto, upon payment of any charges provided therefor, including expenses of quarantine and veterinary care; provided, however, that if no person lawfully entitled to such animal shall within three days after the date of giving the last mentioned notice, appear at the public pound and request the release of the animal, and pay the charges, the animal may be sold or destroyed by the Chief Animal Control Officer in the same manner hereinbefore provided.

The Chief Animal Control Officer shall make or cause an inspection or examination of such animal to be made by a licensed veterinarian until the existence or nonexistence of rabies in such animal is established by the veterinarian. Such animal shall be kept isolated in a pound, veterinary hospital, or other adequate facility in a manner approved by the Chief Animal Control Officer and shall not be killed or released for at least ten days after the onset of symptoms suggestive of rabies, after which time the animal may be released by the Chief Animal Control Officer, provided the Chief Animal Control Officer has first determined that the animal does not have rabies. If the Chief Animal Control Officer determines that the dog or other animal does have rabies, the Chief Animal Control Officer shall destroy the animal.

The Chief Animal Control Officer, or his duly authorized representative, is authorized and empowered to enter in a manner authorized by law, upon private property where any dog or other animal is kept, or believed by him to be kept, for the purpose of ascertaining whether the dog or other animal is afflicted or infected with rabies or other contagious disease. Upon the termination of liability by the surety upon any bond as provided herein, the license of the principal of said bond shall be automatically revoked. (Ord. 86)

Sec. 3606. Same, Separate License and Bond for Individuals. (Ord. 86)

Sec. 3607. Same, Issuance of License. In the event any permit or license hereunder shall be denied said applicant, the application therefor shall be retained by said City Clerk on file in his office for future reference. (Ord. 86)

Sec. 3608. Same, Cancellation of License, Notice. Upon the discovery of any false or misleading statement in said application or misrepresentation by said applicant in procuring said license, or upon the failure, neglect, or refusal of said applicant to promptly, voluntarily and without notice, furnish and file a new bond when the surety on any bond shall have terminated its liability, and cause the same to be approved by the City Clerk as to sufficiency of sureties and by the City Attorney as to form, then and in that event, the Council may, upon five (5) days' notice to said applicant, cancel and annul said license; whereupon said applicant shall be amenable to the penalties herein prescribed, from, and after the date of said cancellation, as though said license had never been granted. (Ord. 86)

Sec. 3609. Same, Compliance with Ordinances. No person shall commence, engage in, carry on, or advertise that he will engage in or carry on any trade, calling, profession, or occupation specified in Section 3600 without first having procured a license as required by the licensing provisions of this code or without complying with any and all regulations of such trade, calling, profession or occupation contained in this or any other ordinance of the City; and the carrying on of any trade, calling, profession or occupation mentioned in this chapter, without first having procured such a license when required so to do, or without complying with any and all regulations of such trade, calling, profession, or occupation contained in this chapter, shall constitute a separate violation of this chapter for each and every day that such trade, calling profession, or occupation is so advertised, engaged in or carried on. (Ord. 86)

Sec. 3610. Same, Religious Ceremonies, Etc., Excepted, Certificate of Ordination to be Filed. No person shall be required to pay any fee or take out any license for conducting or participating in any

Sec. 3701. General Provisions. In addition to and in accordance with the determination made and the authority granted by the State of California under Section 22660 of the Vehicle Code to remove abandoned, wrecked, dismantled or inoperative vehicles or parts thereof as public nuisances, the City Council hereby makes the following findings and declarations: The accumulation and storage of abandoned, wrecked, dismantled, or inoperative vehicles or parts thereof on private or public property not including highways is hereby found to create a condition tending to reduce the value of private property, to promote blight and deterioration, to invite plundering, to create fire hazards, to constitute an attractive nuisance creating a hazard to the health and safety of minors, to create a harborage for rodents and insects and to be injurious to the health, safety and general welfare. Therefore, the presence of an abandoned, wrecked, dismantled or inoperative vehicle or parts thereof, on private or public property not including highways, except as expressly hereinafter permitted, is hereby declared to constitute a public nuisance which may be abated as such in accordance with the provisions of this ordinance. As used in this ordinance:

Sec. 3702. Exclusions. This ordinance shall not apply to:

(A) A vehicle, or parts thereof, which is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property; or

(B) A vehicle, or parts thereof, which is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler, licensed vehicle dealer, a junk dealer, or when such storage or parking is necessary to the operation of a lawfully conducted business or commercial enterprise.

Nothing in this section shall authorized the maintenance of a public or private nuisance as defined under provisions of law other than Chapter 10 (commencing with Section 22650 of Division 11 of the Vehicle Code) and this ordinance. (Ord. 92; Am. Ord. 123)

Sec. 3703. Chapter Not Exclusive Regulation. This ordinance is not the exclusive regulation of abandoned, wrecked, dismantled or inoperative vehicles within the City of Grover City. It shall supplement and be in addition to the other regulatory codes, statutes, ordinances heretofore or hereafter enacted by the City, the State, or any other legal entity or agency having jurisdiction. (Ord. 92; Am. Ord. 123)

Sec. 3704. Enforcement. Except as otherwise provided herein, the provisions of this ordinance shall be administered and enforced by Grover City Chief of Police. (Ord. 92; Am. Ord. 123)

Sec. 3708. Notice of Intention. A ten (10) day notice of intention to abate and remove the vehicle, or parts thereof, as a public nuisance shall be mailed by registered mail to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not

(Ord. 92: Am. Ord. 123)

Sec. 3709. Public Hearing. Upon request by the owner of the vehicle or owner of the land received by the Chief of Police within ten (10) days after the mailing of the notices of intention to abate and remove, a public hearing shall be held by the Grover City Planning Commission on the question of abatement and removal of the vehicle or parts thereof as an abandoned, wrecked, dismantled or inoperative vehicle, and the assessment of the administrative costs and the cost of removal of the vehicle or parts thereof against the property on which it is located.

If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his land within such ten (10) day period, the statement shall be construed as a request for a hearing which does not require his presence. Notice of the hearing shall be mailed, by registered mail, at least ten (10) days before the hearing to the owner of the land and to the owner of the vehicle, unless the vehicle is in such condition that identification numbers are not available to determine ownership. If such a request for hearing is not received within said ten (10) days after mailing of the notice of intention to abate and remove, the City shall have the authority to abate and remove the vehicles or parts thereof as a public nuisance without holding a public hearing. (Ord. 91; Am. Ord. 123)

Sec. 3710. Conduct of Hearing. All hearings under this ordinance shall be held before the Grover City Planning Commission which shall hear all facts and testimony it deems pertinent. Said facts and testimony may include testimony on the condition of the vehicle or parts thereof and the circumstances concerning its location on the said private property or public property. The Grover City Planning Commission shall not be limited by the technical rules of evidence. The owner of the land may appear in person at the hearing or present a sworn written statement in time for consideration at the hearing, and deny any responsibility for the presence of the vehicle on the land, with his reasons for such denial.

The Grover City Planning Commission may impose such conditions and take such other action as it deems appropriate under the circumstances to carry out the purpose of this ordinance. It may delay the time for removal of the vehicle or parts thereof if, in its opinion, the circumstances justify it. At the conclusion of the public hearing, the Grover City Planning Commission may find that a vehicle or parts thereof has been abandoned, wrecked, dismantled, or is inoperative on private or public property and order the same removed from the property as a public nuisance and disposed of

as hereinafter provided and determine the administrative costs and the cost of removal to be charged against the owner of the land. The order requiring removal shall include a description of the vehicle or parts thereof and the correct identification number and license number of the vehicle, if available at the site.

If it is determined at the hearing that the vehicle was placed on the land without the consent of the owner of the land and that he has not subsequently acquiesced in its presence, the Grover City Planning Commission shall not assess the costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect such costs from such owner of the land.

If the owner of the land submits a sworn written statement denying responsibility for the presence of the vehicle on his land but does not appear, or if an interested party makes a written presentation to the Grover City Planning Commission but does not appear, he shall be notified in writing of the decision. (Ord. 91; Am. Ord. 123)

Sec. 3711. Appeal. Any interested party may appeal the decision of the Grover City Planning Commission by filing a written notice of appeal with the said Grover City Planning Commission within five (5) days after its decision.

Such appeal shall be heard by the City Council which may affirm, amend or reverse the order or take other action deemed appropriate.

The Clerk shall give written notice of the time and place of the hearing to the appellant and those persons specified in Section 8.

In conducting the hearing the City Council shall not be limited by the technical rules of evidence. (Ord. 92; Am. Ord. 123)

Sec. 3712. Removal of Vehicle. Five (5) days after adoption of the order declaring the vehicle or parts thereof to be a public nuisance, five (5) days from the date of mailing of notice of the decision if such notice is required by Section 3710, or fifteen (15) days after such action of the governing body authorizing removal following appeal, the vehicle or parts thereof may be disposed of by removal to a scrapyard or automobile dismantler's yard. After a vehicle has been removed, it shall not thereafter be reconstructed or made operable. (Ord. 92; Am. Ord. 123)

Sec. 3713. Notice to Department of Motor Vehicles. Within five (5) days after the date of removal of the vehicle or parts thereof, notice shall be given to the Department of Motor Vehicles identifying the vehicle or parts thereof removed. At the same time, there shall be transmitted to the Department of Motor Vehicles any evidence of registration available, including registration certificates, certificates of title and license plates. (Ord. 92; Am. Ord. 123)

Sec. 3714. Assessment of Costs. If the administrative costs and the cost of removal which are charged against the owner of a parcel of land pursuant to Section 3710 are not paid within thirty (30) days of the date of the order, or the final disposition of an appeal therefrom, such costs shall be assessed against the parcel of land pursuant to Section 38773.5 of the Government Code and shall be transmitted to the Tax Collector for collection. Said assessment shall have the same priority as other city taxes. (Ord. 92; Am. Ord. 123)

Sec. 3715. Abandonment; Misdemeanor. It shall be unlawful and a misdemeanor for any person to abandon, park, store, or leave or permit the abandonment, parking, storing or leaving of any licensed or unlicensed vehicle or parts thereof which is in an abandoned, wrecked, dismantled or inoperative condition upon any private property or public property not including highways within the City for a period in excess of fifteen (15) days unless such vehicle or parts thereof is completely enclosed within a building in a lawful manner where it is not plainly visible from the street or other public or private property, or unless such vehicle is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler, licensed vehicle dealer or a junkyard. (Ord. 123)

Sec. 3716. Failure to Remove; Misdemeanor. It shall be unlawful and a misdemeanor for any person to fail or refuse to remove an abandoned, wrecked, dismantled or inoperative vehicle or parts thereof or refuse to abate such nuisance when ordered to do so in accordance with the abatement provisions of this ordinance or State law where such State law is applicable. (Ord. 123)

Sec. 3717. Liability. Nothing contained herein shall be deemed to impose any liability upon the City of Grover City, its officers or employees, nor to relieve the owner of any private property or vehicle from any duty of his. (Ord. 123)

CHAPTER 7.5 - VEHICLE IMPOUND RELEASE FEE

Sec. 3751. Purpose. It is the intent of this chapter to recover the costs involved in the lawful impounding of private vehicles pursuant to the specific California Vehicle Code sections which result from some unlawful act or omission by the owner or driver. This would be accomplished by establishing a fee to obtain a vehicle impound release from the police department. The vehicle impound release is evidence that the police department has removed its hold on the vehicle. The form will be required to obtain the release of the vehicle from the towing company. Through the enactment of a vehicle impound release fee, it is hoped that the persons having their vehicle impounded by the police department as a result of their disobedience of the law, will correct the unlawful conditions causing the impound and eliminate the need for further enforcement. By doing so, existing police resources can be more effectively and efficiently deployed toward higher priority safety situations. (Ord. 94-8)

Sec. 3752. Definitions. Any term defined in this chapter shall have the meaning contained therein for the purpose of this chapter unless otherwise expressly stated or the content clearly indicates a different intention. (Ord. 94-8)

Sec. 3753. Vehicle Impound Release Fee. There is imposed a fee upon any vehicle's current registered owner, the legal owner, or his or her designate, seeking to obtain a vehicle impound release from the police department where such vehicle has been impounded pursuant to the provisions of the California Vehicle Code. Such a vehicle impound release indicates to the towing company in possession of the impounded vehicle that the police department no longer has a hold on the vehicle

and that it is cleared to be released. The vehicle impound release fee shall be set forth by resolution. (Ord. 94-8)

Sec. 3754. Criteria for Vehicle Impound Release Fee Imposition. Vehicles deemed as impounded by the police department shall be subject to the imposition of the vehicle impound release fee at the time such release is sought by the owner. (Ord. 94-8)

Sec. 3755. Exceptions to Fee Imposition. The vehicle impound release fee shall not be applied to impounded vehicles which meet any of the following criteria:

(A) When the vehicle is a recovered stolen vehicle and the vehicle is being released to the registered owner or his/her designate [Vehicle Code Section 22651(c)];

(B) When the vehicle was taken as evidence, or as the container of evidence or as a part of a criminal investigation and the owner of the vehicle was a witness to or a victim of a crime and not the suspect in such investigation;

(C) When the vehicle was impounded in error;

(D) When the chief of police or designate determines after a post-storage hearing where one has been requested that the facts disclosed at such hearing warrant a waiver of the fee;

(E) When the vehicle was stored pursuant to injured or ill driver of an accident [Vehicle Code Section 22651(g)]. (Ord. 94-8)

(Ord. 87-8)

[This page intentionally left blank.]

(A) Rent or Rental: The consideration, including any bonus, benefit, gratuity, or security deposit, demanded or received in connection with the use and occupancy of a mobile home space and its accompanying services, amenities, utilities, etc., in a mobile home park within the purview of this Ordinance, or for the transfer of a lease for mobile home park space and its accompanying services, amenities, etc., in a mobile home park within the purview of this Ordinance, but exclusive of any amounts paid for the use of the mobile home dwelling unit itself.

(B) Mobile Home Park Owner or Owner: The owner, lessor, operator, landlord or manager of a mobile home park within the purview of this Ordinance.

(C) Mobile Home Park: An area of land where two or more mobile home sites are rented, or held out for rent, or held out for use, to accommodate mobile homes used for human habitation.

(D) Mobile Home Tenant or Tenant: Any person entitled to occupy a mobile home dwelling unit pursuant to ownership thereof, in a mobile home park within the purview of this Ordinance.

(2) Any reduction in services, amenities, etc., in a mobile home park within the purview of this Ordinance.

(F) Consumer Price Index: The Consumer Price Index for all urban consumers (CPI-U) published for the Los Angeles-Long Beach area.

(G) Tenant Majority: Fifty percent (50%) plus one vote or more of the number of votes tenants of a mobile home park are entitled to cast at the time of voting. A tenant is entitled to cast one vote for each mobile home site which he or she is renting in the mobile home park and that is occupied by a mobile home; provided, however, that no tenant who is a party to a lease which exempts that mobile home from rent control pursuant to Civil Code Section 798.17 is entitled to cast a vote for the site that is subject to the lease. Mobile homes under such a lease shall not be counted in determining the aggregate number of mobile homes from which the tenant majority is to be calculated.

(H) Vacancy: A change in ownership of a mobile home within a mobile home park. As used in this Chapter, a "vacancy" shall not include an interspousal transfer or a transfer to court appointed trustee, guardian or conservator.

(I) Hearing Officer: A duly appointed hearing officer selected from a panel (or list) of qualified hearing officers. A hearing officer shall have no financial interest in either a mobile home park or a mobile home nor have been a resident of nor reside in a mobile home park. A hearing officer shall be experienced in financial and accounting methods with knowledge of administrative procedures and rules of evidence. (Ord. 87-8, Am. Ord. 92-5)

Sec. 3996.30. Applicability. The provisions of this Chapter shall apply to all mobile home parks within the City of Grover City. (Ord. 87-8)

Sec. 3996.40. Limitations on Rent Increases. (A) One Rental Increase Per Year: An owner shall not impose a rent increase more often than once in every twelve (12) month period (July 1 through June 30); no such increase shall be retroactive. Owner shall notify all tenants at least sixty (60) days prior to the effective date of any rent increase.

(B) Maximum Annual Rental Increase: Except as provided in subsection (C) below, the maximum monthly rental increase for each space in each twelve (12) month period shall be a percentage increase over the previous year's monthly rental equal to one hundred percent (100%) of the first five percent (5%) increase in the Consumer Price Index over the preceding twelve (12) month period and seventy-five percent (75%) of the CPI increase over the preceding twelve (12) month period for that portion of the increase greater than five percent (5%). Any rent increase under this subsection (B) is limited to an increase in the money paid for rent and shall not include a decrease in services, amenities, utilities, etc. For purposes of calculating maximum allowable rent pursuant to this subsection for the 1987-1988 twelve (12) month period (7/1/87 through 6/30/88), the "previous year's monthly rental" shall be considered the monthly rental in effect on July 1, 1987. On the effective date of this Ordinance, there shall be a roll back of the monthly rental rate to that in effect on July 1, 1987, plus the maximum annual rental increase as provided in this subsection. Should any tenant have been charged in excess of this rollback monthly rental rate between July 1, 1987, and the effective date of this Ordinance, the landlord shall either refund the excess amounts paid or provide a credit to the tenant to be applied against future monthly rental.

(C) Owner Hardship Exceptions and Tenant Rent Adjustments: An owner who contends that he will be unable to make a just and reasonable return on the property involved may apply to the City for a rental increase in addition to the maximum increase permitted by Section 3996.40(B) above or those increases allowed by Section 3996.50. Likewise, tenant(s) who contend that a rent increase has occurred due to a reduction in services, amenities, etc., may apply to the City for a rent adjustment.

Such applications must be filed by the owner or tenants with the City in accordance with Section 3996.41 et. seq. (Ord. 87-8, Am. Ord. 92-5)

Sec. 3996.41. Application for Rent Adjustment/Fee/Contents/Notice of Request/Hearing. (A) Except for automatic increases in base rent allowed under Section 3996.40(B) and those resulting from vacancies under Section 3996.50, an owner or tenant(s) may file with the City Clerk an application for a rent adjustment ("application"). The application shall state the amount of the adjustment for each space affected and the reasons for the adjustment.

(1) An application shall be accompanied by the payment of a fee as may be established from time to time by the Council.

(2) An application filed by an owner shall be accompanied by a statement that the tenant for each space affected has been served either personally or by mail with a notice describing the application and the change in rent or services.

(3) An application filed by a tenant shall be accompanied with a statement stating that the owner has been either personally or by mail served with the application and with a statement designating not more than three persons to act as representatives for the spaces affected and containing the names and addresses of tenants representing no less than fifty-one percent of the spaces affected by the application and supporting the application and established by a secret election.

(4) A statement shall accompany the application and shall notify the receiving party that he/she has thirty days to file an objection and if one is not filed within the time allowed, then the application will be automatically granted.

(B) An objection to the application may be filed with the City Clerk within thirty days after the notice of application has been served. The objection shall identify the portions of the application objected to and shall state the grounds of the objection.

(1) A copy of an objection filed by an owner shall be mailed to each of the designated tenant representatives.

(2) A copy of an objection filed by a tenant shall be mailed to the owner. The tenant's objection shall designate not more than three persons to act as representatives for the objecting tenants. The objection must be accompanied by a statement containing the names and addresses of tenants representing no less than fifty-one percent of the spaces affected by the owner's application and verifying that they object to the application, established by secret ballot election.

(C) If no objection is filed to an application within the time allowed, or if less than fifty-one percent of the tenants support an objection to an application, then the application will be automatically granted.

(D) If an objection is filed within the time provided, then the owner and the tenant representatives shall meet and confer to negotiate in good faith an agreement regarding the application. Either party may request a mediator of their choice to assist in the negotiations, but this is not required. If an agreement is reached within sixty days, then the tenant representatives shall notify all tenants affected by the agreement. The tenants shall have ten days to approve or disapprove of the agreement. If tenants representing a majority of the spaces affected fail to disapprove of the agreement, then the agreement shall be binding on the owner and all tenants affected. The City Clerk shall be notified that an agreement has been reached. The statements made in negotiations and any agreements reached but not approved shall not be admissible in any subsequent hearings regarding the application.

(E) If the owner and the tenant representatives fail to reach an agreement within the time provided or if a majority of the tenants disapprove of an agreement reached, then the applicant shall within ten days notify the City Administrator that an agreement has not been reached. The City Administrator shall obtain a list of no less than five qualified hearing officers. Owners and tenants may each delete one person from the list of qualified hearing officers within seven days and one of the remaining persons shall be selected by the City Administrator as the hearing officer. Appointment of the hearing officer shall be completed no later than twenty-one days after filing of the notice that an agreement has not been reached.

(F) The hearing officer shall set a hearing on the application complying with the requirements of this section no less than ten days and no more than thirty days after the appointment. The hearing officer shall notify the owner and tenants, in writing, of the time, place and date set for the hearing. No hearing or any part thereof may be continued beyond thirty days after the initial hearing date, without the applicant's consent. If the hearing officer approves an application as requested or as modified, the same shall take effect as noticed by the owner or as the hearing officer may otherwise direct. (Ord. 92-5)

Sec. 3996.42. Application for Rent Adjustment/Conduct of Hearing. (A) All review hearings conducted by the hearing officer shall be conducted in accordance with the Ralph M. Brown Act, at Section 54950 et seq. of the California Government Code and according to the rules of the American Arbitration Association.

(B) All interested parties to a hearing may have assistance from an attorney or such other person as may be designated by the parties in presenting evidence or in setting forth by argument their position. All witnesses shall be sworn in and all testimony shall be under penalty of perjury.

(C) In the event that either the owner or the tenant(s) should fail to appear at the hearing at the specified time and place, the hearing officer may hear and review the evidence as may be presented and make such decisions as if all parties had been present.

(D) Owner and affected tenants may offer any testimony, documents, written declarations or other relevant evidence.

(E) Formal rules of evidence shall not apply.

(F) Minutes shall be taken at all review hearings. (Ord. 92-5)

Sec. 3996.43. Application for Rent Adjustment/Evaluation/Relevant Factors. In evaluating the application, the hearing officer may consider, along with all other factors it considers relevant, changes in costs to the owner attributable to increases or decreases in master land and/or facilities lease rent, utility rates, property taxes, insurance, advertising, variable mortgage interest rates, employee costs, normal repair and maintenance, and other considerations, including, but not limited to, rehabilitation work, capital improvements, upgrading and addition of amenities or services, net operating income, and the level of rent necessary to permit a just and reasonable return on the owner's property.

(A) In applying the foregoing factors, the hearing officer shall utilize the maintenance of net operating income (MNOI) formula. Under the MNOI allowable gross rents are calculated as follows: all operating expenses for the twelve-month period ending June 30, 1987, are subtracted from all operating expenses for the twelve-month period immediately preceding the date of the application for which expense data is available. In the event operating expenses are not available for the period ending June 30, 1987, then expenses for a twelve-month period reasonably close to June 30, 1987, may be substituted. The difference shall be added to gross annual rent based on rental rates in effect on July 1, 1987. The sum shall be the allowable gross annual space rent. The allowable gross space rent shall be fairly apportioned between all spaces in the park. The space rent determined under the MNOI formula shall be adjusted as follows:

(1) There shall be an adjustment to allow for inflation calculated as follows: the net operating income (NOI) for the base period shall be calculated by subtracting the park's operating expenses for the twelve-month period ending June 30, 1987, from the park's annual gross space rent based on the space rent in effect on July 1, 1987. The CPI index for the month most recently available prior to filing the application shall be divided by the CPI index for July 1987. The resulting quotient shall be multiplied by the base period NOI. This shall be the adjusted NOI. The operating expenses for the twelve-month period immediately preceding the date of the application for which information is available shall be added to the adjusted NOI. The sum shall be the inflation-adjusted gross space rent. The allowable space rent shall be the greater of the space rent calculated using the MNOI formula and the space rent adjusted for inflation.

(2) In calculating the MNOI, there shall be an adjustment to the gross space rent in effect on July 1, 1987, if the hearing officer determines that the gross space rent in effect on that date did not allow the owner to receive a just and reasonable return on his property.

(3) If the hearing officer concludes that the MNOI formula, and the adjustments thereto, does not provide a just and reasonable return to the owner, then the hearing officer may apply any reasonable formula, including a return on investment, a return on fair market value, or return on equity, to determine a space rent which will allow the owner to receive a fair and reasonable return on his property. (Ord. 92-5)

Sec. 3996.44. Application for Rent Adjustment, Hearing, and/or Determination. (A) The hearing officer shall make a final decision no later than twenty days after the conclusion of the hearing. The hearing officer's decision shall be based on the preponderance of the evidence submitted at the hearing. The decision shall be based on findings. All parties to the hearing shall be advised by mail of the hearing officer's decision and findings.

(B) Pursuant to his/her findings, the hearing officer may:

(1) Permit the requested adjustment to become effective, in whole or in part; or

(2) Deny the requested adjustment; or

(3) Permit or deny, in whole or in part, requested reductions of, or charges for, facilities or services.

(C) Any decision of the hearing officer shall be final unless, within fifteen days after mailing of the decision and findings, the owner or any affected tenant appeals the decision.

(D) The hearing officer's fees and charges shall be paid by the applicant. (Ord. 92-5)

Sec. 3996.45. Application for Rent Adjustment/Hearing/Appeal. (A) Any appeal from a decision of the hearing officer shall be filed with the City Clerk. The appellant shall also mail a copy of the appeal to the responding party. The appeal shall state the grounds on which it is based. An appeal filed by a tenant shall be accompanied by a statement containing the names and addresses of the tenants supporting the appeal. The appeal must be supported by at least fifty-one percent of the tenants affected by the appeal.

(B) Upon filing of a valid appeal, the City Administrator shall obtain a list of no less than seven qualified hearing officers. The hearing officer who previously acted shall not qualify. Owners and tenant representatives may each delete one person from the list of qualified hearing officers within seven days, and three of the remaining persons shall be selected by the City Administrator as the appellate panel. Appointment of the appellate panel shall be completed no later than twenty-one days after filing the appeal.

(C) At the time set for consideration of the appeal, the appellate panel shall review and consider the record of the hearing officer's hearing as well as the decision and finding of the hearing officer. After review and consideration, the appellate panel may either (1) determine that a further hearing shall be held, or (2) ratify and adopt the decision and findings of the hearing officer. If a further hearing is conducted, the appellate panel may, upon conclusion of that hearing and in no event more than thirty days thereafter, modify or reverse the decision of the hearing officer, only if the appellate panel finds that there has been an abuse of discretion or that there is no substantial evidence to support the hearing officer's decision. The appellate panel's decision shall be final and no appeal may be taken to the Council.

(D) If the party filing the appeal is unsuccessful, then that party shall pay the appellate panel's fees, charges and costs. (Ord. 92-5)

Sec. 3996.50. Allowable Rent Increase Upon Vacancy. In addition to the rental increases allowable pursuant to Section 3996.40, upon a vacancy an owner may increase the monthly rental a maximum additional amount of five (5%) percent of the rent in effect on the date of vacancy. (Ord. 87-8, Amd. Ord. 90-2, Ord. 92-5)

Sec. 3996.60. Prohibitions, Duties and Rights. (A) No owner shall demand, accept, or retain more than the maximum rent permitted by this Ordinance, and no owner shall impose a prohibited rent increase through the reduction of services, amenities, etc.

(B) Owners shall keep detailed records concerning the monthly rents and rent increase dates for all spaces in the mobile home park. Such records shall be available for inspection by the City during business hours.

(C) No owner shall bring any action to recover possession of a space subject to the provisions of this Ordinance unless:

(1) The tenant has violated an obligation or covenant of her or his tenancy other than the obligation to surrender possession upon proper notice and has failed to cure such violation after having received written notice thereof from the landlord.

(2) The tenant is committing, or permitting to exist, a nuisance on, or is causing substantial damage to, the space, or is creating a substantial interference with the comfort, safety or enjoyment of the owner or other occupants of the mobile home park.

(3) The tenant is convicted of using or permitting the space to be used for any illegal purpose.

(4) The tenant has refused the owner reasonable access to the space for the purpose of making necessary repairs or improvements required by the laws of the United States, the State of California or any subdivision thereof, or for the purpose of inspection as permitted or required by law.

(D) A tenant may refuse to pay any increase in rent which is in violation of this Ordinance and such violation shall be a defense in any action brought to recover possession of a space or to collect the illegal rent increase.

(E) It shall be unlawful for any owner to demand, accept, receive or retain any payment of rent in excess of the maximum lawful rent set forth in this Ordinance, or to otherwise violate the provisions of this Ordinance. In addition to any other remedies available, a violation of this Ordinance shall be a defense in any action brought by an owner to recover possession of a space. (Ord. 87-8)

(3) The property owner executes a release and right of entry form permitting such graffiti removal;

(4) The City shall not paint or repair a more extensive area than is necessary to remove the graffiti, unless the Police Chief determines that a more extensive area needs repainting or repairing in order to avoid an aesthetic disfigurement to the neighborhood or community, or unless the property owner agrees to pay for the cost of repainting or repairing the more extensive areas; and

(5) The owner provides paint of a specific color or match if they so desire or are able to.

(C) Removal by City without Consent of Property Owner. If the area is heavily covered with graffiti, the entire surface shall be repainted. (Ord. 09-02)

Section 3998.12. Graffiti Abatement and Cost Recovery Proceedings. Abatement of graffiti and assessment of graffiti abatement and/or eradication costs shall be in accordance with the following procedure:

(A) Following a report of graffiti from any source, the Police Chief shall issue a notice of intent to abate the graffiti as a public nuisance, and shall serve such notice by any of the following methods:

(1) By personal service on the owner, occupant or person in charge or control of the property;

(2) By posting at a conspicuous place on the property or abutting public right-of-way; or

(3) By sending a copy of such notice by registered or certified mail addressed to the owner at the address shown on the last available assessment roll, or as otherwise known.

(B) The notice of intent shall be in substantially in the following form:

NOTICE OF INTENT TO ABATE NUISANCE-GRAFFITI

(Name and address of person notified)

(Date)

NOTICE IS HEREBY GIVEN that you are required by Grover Beach Municipal Code Chapter 15 of Article III to, at your sole expense, remove or paint over the graffiti in existence on the property located at (address), which is visible to public view, by (date). If you fail to do so, the City or its agents will enter

your property and remove or paint over the graffiti. The cost of such removal and/or painting will be assessed against you and your property, and such costs will constitute a lien upon such property until paid.

You may request a hearing to contest this notice. To request a hearing, you must submit a written request to the Police Chief by (date). If a request is not received by this date by the Police Chief, the Police Chief shall have the authority to proceed with the abatement of the graffiti inscribed on your property without further notice or hearing, and at your expense.

Your presence is not required at the hearing. In lieu of attendance, you may submit a sworn written statement executed under penalty of perjury, as to why you are not responsible for the removal of the graffiti, and/or assessment of costs of removal and/or painting. If you do not appear in person at the hearing, your sworn written statement as described will be considered as your sole testimony.

(C) Upon receipt of a request for hearing, the Police Chief shall set a date and time for the hearing and notify the person requesting the hearing of the date, time, and location of the hearing. All hearings under this chapter shall be held before the Police Chief who shall hear all facts and testimony he or she deems pertinent. Said facts and testimony may include testimony on the location of the graffiti and the circumstances concerning its placement on the real or personal property. The Police Chief shall not be limited by the technical rules of evidence. After the hearing, the Police Chief shall serve notice of his or her written decision to the person requesting the hearing, or other affected parties, within ten working days.

(D) Any owner of the real or personal property on which graffiti is to be abated that is not satisfied with the decision of the Police Chief to abate said graffiti, may appeal to the City Manager or his or her designee. The written appeal must be filed with the City Manager within ten (10) working days of service of the Police Chief's decision. The City Manager, or his or her designee, may uphold the order of the Police Chief to abate the graffiti granted under this chapter if the City Manager, or his or her designee, determines that the graffiti is detrimental to the public safety or welfare. (Ord. 09-02)

Section 3998.13. Assessment and Payment of Costs. (A) Following abatement, the Police Chief shall send an invoice to the owner of the real or personal property upon which graffiti has been abated. The notice shall specify all graffiti abatement costs.

(B) The total cost of graffiti abatement, including all administrative costs, shall be paid by the owner or other person in control of the real property or the owner of personal property upon which graffiti has been abated, within thirty (30) calendar days after service of the invoice.

(C) Pursuant to Government Code Section 38773.5, the total cost of abatement, including all administrative costs, shall constitute a special assessment against the property subject to the graffiti abatement, if not paid in full within thirty (30) days after service of the invoice. After the assessment is made, it shall constitute a lien on the property subject to the graffiti abatement. Such special assessment shall be collected at the same time and in the same manner as ordinary municipal taxes are collected and shall be subject to the same penalties and the same procedures and sale in case of delinquency as provided for ordinary municipal taxes. (Ord. 09-02)

Section 3998.14. Cost of Abatement a Personal Obligation. Instead of making the cost of abating a nuisance a special assessment against the property subject to the graffiti abatement, the City may make the cost the personal obligation of the property owner or other person creating, causing, committing or maintaining the nuisance. In such a case, all of the procedures of this chapter apply, except those specially

related to assessment of the property. Property owner or person in control will remain responsible for all abatement costs until reimbursement is collected by the City from the person creating, causing, or committing the nuisance. (Ord. 09-02)

Section 3998.15. Alternative Means of Enforcement. Nothing in this chapter shall be deemed to prevent the City Council from authorizing the City Attorney to commence any other available civil or criminal proceedings to abate a public nuisance in addition to or alternative to proceedings set forth in this chapter. (Ord. 09-02)

Section 3998.16. Possession of Graffiti Implements.

(A) By Minors at or Near School Facilities.
