

City of Grover Beach Parks and Recreation Department

The City of Grover Beach Parks and Recreation Department is committed to planning and creating as many opportunities for community recreation as our limited budget will allow. To do this in the past, we solicited donations of prize items, cash donations and business sponsorships throughout the year, as each event occurred.

It is our hope, with this letter and sponsor request, that you will be interested in assisting the Grover Beach Parks and Recreation Department through one of the following ways:

- ☞ Be a cash sponsor by selecting a sponsor level from the sponsor brochure
- ☞ Choose one or more events to provide in-kind services or supplies
- ☞ A combination of both

Please take some time to look over the events and the benefits of sponsorship as outlined in the sponsor brochure and choose the option that works best for you and your business advertising needs.

We value our relationship with businesses big and small and appreciate the very generous nature of everyone in the South County communities as we strive to create fun, inclusive and community-building events for all to enjoy.

Thank you for your support!

Respectfully,
Kathy Petker, Parks & Recreation Program Director
