

PUBLIC NOTICE:

City of Grover Beach Declares a Stage III Water Shortage

How does this affect me?

All water customers are required to reduce their water use by 10%*

**Customers failing to meet the 10% reduction may incur significant fines and penalties for non-compliance.*

Visit the City's website @ www.grover.org

On our website you will find helpful information on how to reduce water use and available conservation programs.

Washing Machine Rebate Program

Cash rebate for the purchase of water efficient washing machine.

CASH 4 GRASS

Cash rebate for the replacement of turf with drought tolerant plants and other permeable surfaces.

Toilet Retrofit Program

Replaces older toilets with low flow water efficient models.

WATER PROHIBITIONS

The following actions are prohibited:

- ◆ Washing of sidewalks, driveways or roadways where air-blowers or sweeping provides a reasonable alternative
- ◆ Refilling of private pools except to maintain water levels
- ◆ Planting of turf and other new landscaping, unless it consists of drought tolerant plants
- ◆ Washing vehicles, boats, etc. without a quick-acting shut-off nozzle on the hose
- ◆ Washing any exterior surfaces unless using a quick-acting shut-off nozzle on the hose
- ◆ Restaurant water service (*unless upon request*)
- ◆ Use of potable water for construction purposes, unless no other source of water or method can be used.
- ◆ Operation of ornamental fountain or car wash unless water is re-circulated
