

City of Grover Beach Street Rehabilitation & Repair Program

Your Measure K-14 TAX DOLLAR\$ AT WORK!

Please join us for a Special Neighborhood Meeting

TUESDAY, MAY 9TH or THURSDAY, MAY 11TH
at 6:00 p.m.

RAMONA GARDEN PARK CENTER

993 Ramona Avenue

*Your input is requested regarding future
Rehabilitation and Traffic Calming Improvements of:*

Newport Avenue

The primary benefits of reduced street widths are:

- ❖ *Reducing the overall amount of maintained pavement (i.e., reducing costs)*
- ❖ *Traffic calming (i.e., reduced vehicle speeds)*
- ❖ *Opportunities for landscape beautification / Enhancement*
- ❖ *Potential stormwater management benefits*

Light refreshments will be served.
