

City of Grover Beach

Street Rehabilitation & Repair Program

Your Measure K TAX DOLLAR\$ AT WORK!

Weekly Construction Update: Week of September 10, 2018

The City is continuing the multi-year project to rehabilitate streets utilizing voter approved bond funds generated by Measure K. More information regarding Measure K and future projects can be found on the City's website which may be accessed by following the link below:

<http://www.grover.org/index.aspx?NID=321>.

1. The following work will take place on Long Branch Avenue, between South 3rd Street and South 10th Street, over the next two (2) weeks:
 - Demolition of existing concrete curbs at corners, grading and forming for installation of new curb ramps on the North side of Long Branch Avenue, between South 7th Street and South 10th Street
 - Paving between South 7th Street and South 10th Street is expected to occur on Thursday, September 20th and Friday, September 21st
 - Installation of asphalt curbs on Long Branch Avenue is expected to occur the week of September 24th.
 - Paving within the 300 block of Long Branch Avenue will be scheduled once improvements to the driveway located at 251 Long Branch are complete
2. The following work will take place in the northwest section of the City over the next two (2) weeks:
 - Installation of asphalt curbs on Front Street, North 2nd Street, and Ocean View Avenue is expected to occur the week of September 10th
 - Placement of mailboxes is scheduled for the week of September 10th

This status update is intended to inform the public on the status of the Measure K-14 Street Rehabilitation and Repair Project. Field conditions and work progress are monitored daily and are subject to change daily. As a result, the dates indicated in this update are also subject to change. Schedule and location information is most accurate within three weeks of the date of this posting. Information will be updated weekly.
