PLANNING COMMISSION MEETING PROCEDURES

Per Resolution No. 06-077, Planning Commission meetings are scheduled to start at 6:30 p.m. and conclude no later than 11:00 p.m. Any public items remaining on the agenda at 11:00 p.m. that have not been discussed or considered by the Planning Commission will be continued to either an adjourned special meeting of the Planning Commission (scheduled before the next regular meeting) or to the next regular meeting. However, the Planning Commission may choose to continue the meeting past 11:00 p.m. upon a proper motion and a super majority vote in favor of such an action.

Planning Commission Meetings are conducted under the authority of the Chair. The Chair will announce each item which will be read into the record; thereafter, the hearing will be conducted as follows:

1. Staff will present the staff report and recommendation on the proposal being heard and respond to questions from the Planning Commission.
2. The Chair will open the public hearing by first asking the project applicant/agent to present any points necessary for the Commission, as well as the public, to fully understand the proposal.
3. The Chair will then ask other interested persons to come to the podium to present testimony either in support of or in opposition to the proposal.
4. Finally, the Chair will invite the applicant/agent back to the podium to respond to the public testimony. Thereafter, the Chair will close the public testimony portion of the hearing and limit further discussion to the Commission and Staff prior to the Commission taking action on the item.

RULES FOR PRESENTING TESTIMONY

Planning Commission hearings can involve highly emotional issues. It is important that all participants conduct themselves with courtesy, dignity, and respect. All persons who wish to present testimony must observe the following rules:

1. When you come to the podium, first identify yourself and give your city of residence. Commission meetings are recorded and this information is required for the record.
2. Address your testimony to the Chair. Conversation or debate between a speaker at the podium and a member of the audience or staff is not permitted.
3. Keep your testimony brief and to the point. Talk about the proposal and not about individuals involved. On occasion, the Chair may be required to place time limits on testimony. In those cases, proposal description/clarification will be limited to 12–15 minutes, individual testimony to three minutes, and speakers representing organized groups to five minutes. Focus testimony on the most important parts of the proposal, do not repeat points made by others, and do not applaud during testimony.
4. Written testimony is acceptable. However, letters are most effective when presented at least a week in advance of the hearing. Mail should be directed to the Community Development Department, to the attention of the Community Development Director.
