

City of Grover Beach
Street Rehabilitation & Repair Program

Your Measure K TAX DOLLAR\$ AT WORK!

Weekly Construction Update: Week of April 15, 2019

This status update is intended to inform the public on the status of the Measure K-14 Street Rehabilitation and Repair Project. Weather and field conditions, as well as, work progress are monitored daily. The schedule may change accordingly. The information provided below is most accurate within three weeks of the date of this posting. Updated information will be posted weekly.

CIP 2295-6 Newport Avenue, between North 4th Street and Oak Park Boulevard:

- Construction will start on 5/6.

CIP 2295-8 Park View Avenue, between Front Street and North 4th Street, **Atlantic City Avenue**, between Front Street and North 8th Street, **North 1st Street**, between Atlantic City Avenue and Ocean View Avenue, **North 2nd Street**, between Brighton Avenue and Newport Avenue, and **Beckett Avenue**, between Ramona Avenue and Brighton Avenue.

Week of April 15th:

The following work will continue on **Atlantic City**, from 5th and working towards North 8th Street:

- ⇒ *Grading/demolition for concrete work, such as curb ramps and cross gutters. The placement of the new concrete at this location is expected to occur at the end of the week. The intersection will be closed at Charles Street for placement of a concrete cross gutter. **Please note: concrete will need to cure for 7 days.***

The following work will continue on **Park View**, from Front to 4th:

- ⇒ *Relocating water meters. This will result in no water service for a 2-4 hour period. Residents will be individually notified either in person or with a flyer.*

Week of April 22nd:

- ⇒ *Grading/demolition for concrete work will continue on Atlantic.*

Additional information regarding Measure K and future projects can be found on the City's website, www.groverbeach.org.
