NEW BUSINESS

1) South 4th Street (Generated by City Project)

Public Works is requesting a red curb for this area in front of the fire hydrant at Trouville (10-Ft south of FH Centerline and 45 ft. north of FH centerline) and on the opposite side of the street (35 ft. long).

This item was discussed by the Traffic Committee. After discussion it was agreed that a red curb on South 4th Street between Seabright Avenue and Farroll Road is needed due to restriping which will make lane narrower. This lane is needed for traffic/bike safety. Bruce Buckingham made a motion to paint a red curb on South 4th Street between Seabright Avenue and Farroll Road. Mike seconded the motion. All others present were in favor of the motion.
