**ABSENT:** None.

Chief Peters called the meeting to order at 9:32 a.m. Roll Call was then taken.

**PUBLIC COMMUNICATIONS:** None.

### **OLD BUSINESS**

**Approval of Minutes** – Chief Peters asked if all present had read the minutes for April 13, 2018, meeting. Bruce Buckingham made a motion that the minutes be approved. Battalion Chief Whitney seconded the motion. All others present were in favor of approval of the Minutes.

### **NEW BUSINESS**

#### 1) **Red Curb Proposal 16<sup>th</sup> Street and Grand Avenue**

Regional Transit Authority would ask that we add 70 feet of red curb leading up to the car lot's driveway and allow public parking behind this section back to 16<sup>th</sup> Street. This would allow the 35 foot bus to get parallel to the curb and then have enough space to pull out of traffic AND the car lot gets a 34 foot parking space. Essentially, we are trading places with the parking space.

This item was discussed by the Traffic Committee. Greg Ray made a motion that a Staff Report be drafted to City Council with this request and alternatives. No action was taken by the Traffic Committee. This is not a traffic safety issue. Chief John Peters seconded the motion. All others present were in favor of this motion. Greg Ray will contact Mr. Moores from SLO RTA to discuss other possible alternatives.

### **ADJOURNMENT**

Meeting was adjourned at 10:10 a.m.
